Dec. 29/1921.

American Numismatic Society,
156 "St & Broadway,
New York City,
Dear Sir:—

The Teachers College Record for November states that your society published in October an address by Mr. David Eugene Smith on "Computing Jettons". I am very much interested in the subject in connection with a course in the History of Mathematics which I am giving at Hunter College. Would it be possible for me to get a copy of this address? I should be grateful to you if you will let

December 31st, 1921

Miss Lao G. Simons
180 West 88th Street
New York City

Dear Madam:

I have your letter of December 29th,
and beg to advise that we can furnish you
with a copy of "Computing Jetons" by Dr.
David Eugene Smith, if you so desire.
The price of same is \$1.50

Very truly yours,

Secretary
